This month I have been meeting with the local Parish Councils in Chedgrave and Ditchingham on a walkabout in the villages with councillors to discuss local issues, one main topic that was discussed was Speeding, which remains as one of the priorities for the area at present until at least the next priority Setting Meeting on 28th March.

We discussed the Community Speed Watch scheme and the great benefits it can have for the community, I have also been meeting with local Community Speed Watch Groups in Bergh Apton, Hedenham and Ditchingham, to see the vital work they do and how well it promoted community spirit, for any one else wishing to set up a CSW, please get in touch with me.

Monday 28th March we held a virtual Priority Setting Meeting via Microsoft Teams, for Loddon and surrounding parishes.

Members of the community were given options to vote for their top policing priority – these votes were discussed at the meeting and the following Priorities have been agreed:

- Road safety - Speeding
- Burglary / theft
- Drug dealing /drug use

I would like to say 'thank you' to the community for your vote & voicing your concerns. We will concentrate on these 3 priorities over the next 3 months.

James
