Your Beat Manager

PC 475 James King

YOU SAID, WE DID

Speeding

We have carried out speed enforcements and met with Broome and Claxton councillors to discuss the Community Speed Watch scheme.

Burglary/Theft

Despite community concern, there were no reports of burglary in Loddon over the last three months. We will continue to carry out patrols of the area and offer advice to deter burglaries.

Drug use/dealing

We have held multiple street surgeries, providing residents with the opportunity to pass on anonymous information. This helps with drug prevention, as patrols can then be done in targeted areas. There has been only one incidence of drug possession and the substance was seized.

YOUR PRIORITIES

- Road Safety
- Drug use/dealing
- Burglary/Theft

NEED TO KNOW

Norfolk has the second lowest burglary rate in the country. However, the summer months can often see an increase in burglary offences with more people spending time outside and burglars taking advantage.

Detective Superintendent Paul Wells said: 'If you go out, make sure your **doors and windows are closed and locked**, check [them] before bed, and if you are going on holiday **let a trusted friend or neighbour know**, so they can collect your post, put your bins out and keep your home looking lived-in.'
